7. What support, or changes, would you like to see in our organization / conference.

- *More ground info.*
- *More members*
- *I have enjoyed the two I have attended, don't think you need to change a thing.*
- *This years conference has been very informative. Thank you !*
- *You do an excellent job. I don't know how I could improve on this. Thanks so much to you All!*
- *More information on legislation accomplishments.*
- *Coffee served in the morning sessions! The conference workshops are very helpful! Thanks for all you do!*
- *More hand on in the workshops. Thanks*
- *More leadership training. More systems overview.*
- *Different conference location.*
- *More attendance at the conference.*
- *I would like to see more input from members who have lots of experience in the day to day operations of facilities and custodian staff. Also some input on what is working and what they did last conference.*
- *Don't know enough yet. The agenda for the conf. Is very good. The presenters I have seen so far are not very professional so the delivery of information is poor even though the information itself is good.*
- *More in depth roundtable workshops on daily issues in a school setting. Info. on different methods at (Team or Group) cleaning. More info. On grounds care.*
- *More educational opportunities to help perform the responsibilities of our department (How to's). Not necessarily on leadership or motivation. The leadership speakers are all saying the same stuff with little substance. I need "How TO's" I already know what I need to do but unsure of how to get it done.*

- *I think this is a very good conference.*
- *Follow the By- Laws. Keep up the presence @Olympia fight for our right to use disinfectant.*
- *For WAMOA and ESD's work more closely together.*
- *More communication, newsletters, web-based. Collaboration with other organizations.*
- *Some additional custodial training. Thanks*
- *Membership has been very supportive as I learn my way around. Emails are very welcomed. Very apperceive of work done w/legislature. We have to advocate for ourselves because districts don't see value in our work.*
- *More workshops on leadership development –supervisor development. More workshops on grounds issues grounds solutions. Grounds stuff period.*
- *Focus some on the school children, teachers and community. (our customers & bosses)They are why we are here. How can we provide better support!!*
- *More visibility and collaboration with district.*
- *More visibility and collaboration with district management. If I didn't forward my emails, my Director and Superintendent would have little idea about WAMOA involvement in legislative efforts. Quality email summaries would be greatly informational.*
- *Incorporate the golf team with the 1st day of the conference to get more attendance.*
- *I enjoyed the large selection of workshops this year. Please keep this up. Maybe add breakfast to the meetings and have coffee more available.*
- *More information from the board. This would be helpful if you choose to be part of the board or run for a regional chair.*
- *I would like to start the day at 8AM instead of 8:30 or 9:00.*
- *I would like to see if there is a way we could increase our membership by being creative in the ways of allowing members to start their memberships.*
- *I would like to see a return to an evening activity (Casino, some sort of gathering) Create more time to network with the districts.*

Thank you. The results of this survey will be reviewed and discussed by the WAMOA board and will be published in our fall newsletter.
